--

3. Who is my data shared with?

In order to provide services ordered in accordance with the Regulations, personal data of Customers may be transferred to the necessary extent to third parties performing the delivery of orders and supporting us in the conclusion and performance of contracts, as well as in the investigation or defence against claims, in the performance of obligations arising from legal provisions, supporting us when providing marketing services, including in particular: entities providing advisory, consulting, auditing, legal, tax and accounting assistance, research agencies acting on our behalf, Poczta Polska, courier companies, IT service providers, marketing agencies of courier companies, as well as to entities cooperating with Mommy Mouse, e.g. providing services ordered by the Customer.

With the consent expressed by the User, his personal data may be shared with entities related to us and our business partners in order to conduct direct marketing of products and services of these entities.

4. Where are my personal data processed?

Customers 'and Users' personal data are processed and stored in the European Economic Area. Personal data will be transferred outside of the European Economic Area to Google LLC based on appropriate legal safeguards, which are standard contractual data protection clauses personal, approved by the European Commission

5. How long is my data stored?

Your data will be stored for the following periods:

Legal basis for processing	The period of personal data processing
Performance of the contract	The personal data of Customers, Consumers and Users will be stored as long as it is necessary to use an individual Account, perform services and prepare an answer to a question or complaint, but not longer than: i. until the Account is deleted or ii. consideration of the complaint, or iii. limitation of claims.
Mommy Mouse legal obligations	In some situations, the law imposes an obligation to store personal data for a longer period (e.g. tax law). In this case, according to the law, your personal data will be stored for the period required by law.
Your consent	Your data will be processed until you withdraw your voluntary consent to their processing.
Legitimate interest of Mommy Mouse	Your data will be processed until you submit an effective objection to their processing.

Determination, investigation, defence of claims	Your data will be processed until the expiry of the limitation period for claims.
--	---

6. Your rights.

Right of access

You have the right to access your personal data. You can contact Mommy Mouse with questions about:

- confirmation that we are processing your personal data;
- purposes of processing your personal data;
- categories of your personal data;
- information about the recipients of your personal data;
- information about the planned period of storage of your personal data (or criteria for determining it);
- information about your rights related to your personal data;
- information about the sources of your personal data in situations where they have not been collected from you;
- information about automated decision making relative to you based on the processing of your personal data, including profiling.

You can also ask us for a copy of your personal data being processed. Further copies may be charged.

Rights related to data processing.

In connection with the processing of your personal data, you have the following rights:

Your rights	Description of your rights
The right to rectify data.	You have the right to request the correction of your personal data if it is incorrect or incomplete. If the data is incomplete, you have the right to request their completion, including by submitting a relevant statement to Mommy Mouse.
The right to restrict processing data.	You have the right to request "blocking" your personal data in some cases like: <ul style="list-style-type: none"> ● you questioning the accuracy of your data – for the period of our verification of its correctness; ● you request restriction instead of removal if the processing is unlawful; ● when we do not need personal data but you need it to establish, pursue or defend claims; ● you object.

	"Blocking" your data is that Mommy Mouse will still be able to store your personal data, but we will not be able to process (use) it in any other way, except in special situations (e.g. when it is required by an important public interest).
The right to data portability.	You have the right to request Mommy Mouse to issue your personal data in a structured, commonly used machine-readable format. You have the right to send this data to another data administrator. You also have the right to request Mommy Mouse to send this data to another data administrator if it is technically possible. The right to transfer personal data applies only to situations in which your data is processed: <ul style="list-style-type: none"> ● based on your consent or under a contract (e.g. when data is processed as part of a product order); ● in an automated manner.
The right to delete data.	You have the right to request the deletion of your personal data in some cases like when: <ul style="list-style-type: none"> ● your data is processed unlawfully; ● they are no longer necessary to achieve the purposes for which they were collected or processed; ● there is no legal basis for their processing (e.g. when you withdrew your consent or objected, and there is no other basis for data processing). <p>Your right to request the deletion of your personal data may be limited in some cases, including when their processing is necessary to fulfil the legal obligations of Mommy Mouse (e.g. in accordance with the obligations related to keeping the books of account).</p>

The right to withdraw consent

You have the right to withdraw consent at any time, e.g. through the Account settings in the Account panel or by clicking on the link contained in the email sent containing marketing content. In order to withdraw your consent, you can also contact us using the contact details in the Contact tab.

Warning! Withdrawal of consent may lead to the fact that Mommy Mouse will not be able to provide you with services based on your consent.

Withdrawal of consent does not affect the lawfulness of the processing that was carried out on its basis before its withdrawal.

Right to object

You have the right to object to the processing of your personal data if such processing is based on the legitimate interest of Mommy Mouse.

You can object to reasons related to your particular situation. If you object to:

- processing of personal data for direct marketing purposes – Mommy Mouse will not be able to process your personal data;
- processing of personal data for other purposes – Mommy Mouse will not be able to process your personal data, unless there are legitimate and legally valid grounds for processing, overriding your interests, rights and freedoms, or grounds for establishing, investigating or defending claims.

The right to object concerns only the processing of personal data on the basis of the legitimate interest of Mommy Mouse and it does not apply to the processing of your personal data on the basis of performance of the contract, your consent or other legal grounds.

Right to lodge a complaint

You have the right to lodge a complaint with the supervisory body – the President's Office for Personal Data Protection. Contact details to which complaints should be addressed can be found at: <https://uodo.gov.pl/pl/p/kontakt>

7. Is providing my data obligatory?

Providing data is voluntary, however failure to provide data that is necessary, e.g. to set up an individual Account on the www.mommymouse.com.pl website, perform the service or provide answers to queries and complaints may prevent Mommy Mouse from taking action or provide appropriate functionality, service or information expected by the Customer, Consumer or User.

8. Are my decisions automatically affect me based on my data?

Customers' personal data may be used to subtract decisions that are based solely on automated processing, including profiling, and have legal effects on customers or similarly significantly affect customers. If the Customer has agreed otherwise, we will automatically adapt the appropriate content to the Customer's profile, e.g. offers and discounts based on profiling. Automated decisions will be made on the basis of, among others about previous customer purchasing decisions, age, gender, etc. This will allow us to better tailor the offer to customer needs
